2022 Review

Church Questions

**Tangled Questions,
Simple Answers.**

Being new to something isn't always easy. It requires a new vocabulary and way of life. So with being a new Christian. New Christians have to learn the why's behind all the what's. "Why should I join a church?" "Why should I be baptized?" "What should I do now that I'm a Christian?"

Yet new Christians aren't the only ones asking questions. Older Christians have questions, too. "How can I serve my church?" "What if I don't feel like going to church?" "Does God love everyone?"

9Marks wants to provide new and old Christians biblical answers to questions like these, especially questions that focus on our life together in a church. That's been the intent of our Church Questions series. In this series and in everything else 9Marks does, our goal is to nurture healthy church practices and to help Christians live faithfully. And we hope this work continues "until we all attain to the unity of the faith and of the knowledge of the Son of God" (Eph. 4:13).

DEACONS, DISCIPLING, AND WHAT IS THE GOSPEL?

There are only two kinds of churches in the world, red dot and green dot churches. Red dot churches are net importers of preaching. They consume more than they produce. Green dot churches are net exporters of preaching. They produce more preachers than they can use and eventually send them out to preach where no one else is preaching. This is how the Great Commission is fulfilled. This is what 9Marks wants to multiply.

One way churches invest in other churches is through 9Marks' Weekender trainings. In 2022, churches in Oregon, California, Missouri, Texas, South Carolina, North Carolina, DC, Rhode Island, the Dominican Republic, and Edinburgh hosted 9Marks' Weekenders. Attending pastors learned how to lead a healthy church by observing Sunday worship, elders' meetings, a members meeting, a membership class, and taking in lecture content from pastors and the 9Marks directors. The principles and practices of a healthy church are caught and taught. We intend for the Weekender to be a little bit of both.

The green dots above represent the key international regions 9Marks is focused on in 2022, along with continued partnerships in 48 languages.
